## School Dress Standards

UPDATED: FOR THE 2024-2025 SCHOOL YEAR

At Navigator Pointe Academy we emphasize the virtues of self-respect and self-discipline. We believe the school uniform standard helps us to teach these virtues and contributes to the distinctive learning environment at Navigator Pointe Academy. Uniforms help students establish good grooming habits, a sense of self-respect, and simplify preparation for school each day. Further, uniforms help promote a safe, orderly school environment, and create a sense of pride in our students and school. Consistent with these principles, the uniform standards were selected to be attractive, durable, affordable, and simple to follow and enforce. Uniforms at Navigator Pointe Academy are mandatory and should be worn every day during school hours as well as before and after school when participating in school programs, including field trips and special events, rehearsals, performances, and after-school activities. Students should wear the uniform appropriately from the time they step out of their vehicles at arrival time until they get into their cars at departure time (curb to curb).

**\*\*\* All NPA uniform attire should be clean, well kept and follow our Uniform Guidelines\*\*\***
